

Mr. Colin Menton
Assistant Secretary
Remuneration, Industrial Relations and Pensions
Department of Public Expenditure and Reform
Merrion Row
Dublin 2

7th June 2018

Dear Colin

The Commission has reflected on the submissions made to it by the staff representative bodies and by the employer side and on material prepared by the Secretariat based on data it has received.

The Commission is concerned with regard to comments made on the matter of detail included in submissions made to the Department of Public Expenditure and Reform and which it did not appear to have.

Given that such communications are subject to FOI the Commission considers it prudent that these would be made available to it for evaluation and reflection in its deliberations.

Yours sincerely

Kevin Duffy
Commission Chair
