Mr Colin Menton
Assistant Secretary
Remuneration, Industrial Relations and Pensions
Department of Public Expenditure and Reform
Government Buildings
Dublin 2

8 March 2017

Dear Colin,

I refer to your letter of 13th January. Following on from this, the Commission contacted 13 representative groups on 20th January regarding the exercise to assess the relative value of public service pensions (copy of letter attached). In these letters the Commission informed the groups that the methodology and assumptions adopted by the Department of Public Expenditure and Reform for this exercise would be shared by your Department.

The Commission has since received queries from the Garda Representative Association relating to this exercise (copy of letter attached). I would appreciate if you could provide the information referred to in your letter of 13th January directly to the GRA and copy the Commission on the reply.

Yours sincerely,

David Denny

Secretary

Public Service Pay Commission

cc Pat Ennis, General Secretary, GRA.
