Re: Public Service Pay Commission- Oral presentation

Dear Mr Hall,

I wish to refer to the on-going deliberations of the aforementioned body.

PDFORRA requests that the Commission be appraised of this Associations desire to make an oral submission at a time convenient to the body.

It is this Associations belief that the provision of such an opportunity would greatly assist the body in its deliberations. Additionally, the opportunity to give an oral presentation would provide this Association with the opportunity to clarify any issues within our submission that the board may have queries about in an expeditious manner.

PDFORRA would be grateful if you could transmit this request to the Commission at the earliest opportunity.

Yours sincerely,

**Gerard Guinan
General Secretary
PDFORRA**
