Dear Sir/Madam

Please see attached three submissions in respect of grades which the Association represents.

The first submission is in respect of Principal Officers, the second is in relation to Assistant Principal Officers and the third is in relation to Prison Governors.

In the case of each submission, a report the Association commissioned on the pay of these grades is referenced and attached (this is the IPA Pay and Benefits study and is a common appendix to each of the three submissions).

The Association looks forward to making an oral presentation to the Commission in due course and looks forward to hearing from you in this regard.

Yours sincerely

Ciaran Rohan
General Secretary
