Re: Health and Social Care Professionals

Dar Mr. Duffy

I refer to my submission on behalf of Health and Social Care Professionals, which was made on 8th December 2017. You had asked that I clarify specifically which groups were covered by the submission.

I wish to inform you that the groups covered by same are:

Physiotherapists; Occupational Therapists; Speech and Language Therapists, Podiatrists, Dieticians, Orthoptists, Biochemists, Audiologists, Psychologists, Social Workers and Social Care Workers

Please accept my apologies for the delay in issuing this clarification.

Yours sincerely
